2016

27 April: Hosted [Time to Cycle](#)'s cyclists on their from London to Ffos-y-Fran*, near Merthyr Tydfil with film show. They arrived at their destination on 30 April for a mass action camp by [Reclaim the Power](#).

* Ffos-y-Fran is the largest opencast coal mine in the country. Coal being a dangerous and dirty fossil fuel Time to Cycle is targeting the world's most dangerous fossil fuel projects in order to keep coal, oil and gas in the ground. Like Sustainable Devizes, Time to Cycle wants to accelerate the transition to renewable energy.

Sustainable Devizes participated in [Bike Week 2016](#) with a family bike trail.

2015

December: Our inaugural General Meeting held in the Skittles Alley at the Southgate Inn, Devizes. 13 people attended including new members. The new Constitution was adopted by the group. A planning committee was elected and John Saunders was elected its first Chairman. [General Meeting Minutes available here](#).

Our introductory blog "Is it time to stop talking about climate change?" can be found [here](#).

November: Finalised [new Constitution](#), adopted by the Core Group in preparation for General Meeting.

Invited all the mailing list to formally register their support as members. Membership is free and open to all those living or working in the Devizes area, subject to abiding by our new [constitution](#).

May: Food festival stall "Grow Your Own in Small Spaces"

February: Seedy Saturday Seed Swap (see below)

January: Registered Sustainable Devizes as a 'mulling' Transition Group. Setting up of activity groups will pave the way to completing the process.

Monthly informal meetings established in the Snug at the Southgate Inn, maintained throughout the year.

Facebook page co-managed by 4 members of the Core Group.

2010

There is a gap in the story line at this point. A year was filled with a mixture of earnest and lighthearted discussions, mainly held at The Lamb, to develop local ideas that have yet to see the light of day: car clubs, community orchards, a recycling stall, and local money. We also supported local green initiatives where we could.
